waiting for the
mail.....*

"Hope"

HOPE is a huge bundle of love. (EMMA WOULD NOT AGREE) She can be overpowering at times.

If you want to be loved HOPE IS YOUR CAT. She likes nothing better than to curl up and hug you around the neck - purring and drooling all the time. She is a great comfort on cold nights.

HOPE IS A BIG FURRY BUNDLE OF PURRS AND HUGS

Cynthia Valesio
